- Protect Life and Safety
- Preventing Crime

Core Values

Integrity

Ethical behavior is the cornerstone of public trust. For any police department to maintain such trust, it must constantly demonstrate that its partnership with the community will be fair, objective and securely rooted in consistently applied ethical principals.

Members of the West Valley City Police Department are expected to demonstrate, through words and deeds, that the best interest of the public is always in the forefront of their decisions.

Service

We are dedicated to enhancing public safety and reducing the fear and incidence of crime. People in our communities are our most important customers. The mantra of "To Protect and to Serve" is more than a slogan - it is our way of life. We will work in partnership with the people in our communities and do our best, within the law, to solve community problems that effect public safety. We value the great diversity of people in both our residential and business communities and serve all with equal dedication.

Therefore, we provide dedicated and compassionate assistance by promoting leadership, cooperation, and creativity. We aspire to improve the quality of life in partnership with the community.

Accountability

Accountability is a requirement to take action, be that action either legal or moral. It is the impetus to act and take responsibility. As police officers, we have the legal obligation to serve and protect the residents of the of our city, and the legal requirement to preserve order and uphold the law. However, our obligation extends beyond the obvious legal requirement.

For us, there is an obligation to service that is tied directly to our personal honor. We act not just because of our legal authority, but because of our personal duty to help and solve problems. Therefore, we will be responsive to community needs and will always be accountable for our decisions and actions.

Fairness

Fundamental to delivery of professional police service is the fair and equitable treatment of all individuals. Whether citizen or employee, all must be treated with dignity and respect.

Fairness means we:

- Act consistently with our values and expectations
- Let compassion and courtesy guide out actions
- Have respect for all people, their ideas and opinions
- Apply rules, regulations and laws in an unbiased manner
- Treat others as we want to be treated

Therefore we treat everyone with respect and dignity in an unbiased manner. We protect constitutional rights through impartial enforcement of the law.

NIBRS VS. UCR

NIBRS vs. UCR Crime Reporting: How Crime Statistics are Collected

The West Valley City Police Department submits crime statistics to the Bureau of Criminal Identification (BCI) and eventually the FBI using the National Incident-Based Reporting System (NIBRS).

What is NIBRS?

NIBRS is a method of collecting data based on each single incident and arrest. For example: During the commission of a residential burglary, the offender rapes and murders the homeowner. NIBRS counts three offenses: burglary, rape, and murder.

NIBRS categorizes crime into Group A and Group B offenses. Group A offenses include Crimes against Persons, Crimes against Property, and Crimes against Society. Crimes against Persons are those in which the victim is always an individual (i.e. murder, rape, assault). Crimes against Property are those which money or property is obtained from the crime (i.e. robbery, burglary, bribery). Crimes against Society represent society's prohibition against engaging in certain types of activity (i.e gambling, prostitution).

NIBRS Group A Offenses include:

- Murder/Non-Negligent & Negligent Manslaughter
- Justifiable Homicide
- Kidnapping/Abduction
- Forcible Rape, Forcible Sodomy, Forcible Fondling
- Sexual Assault with an object
- Aggravated Assault, Simple Assault, Intimidation
- Incest
- Statutory Rape
- Robbery
- Arson
- Burglary/Breaking & Entering
- Extortion/Blackmail
- Larceny

NIBRS Group B Offenses are only reported in the event of an arrest, and include:

- Bad Checks
- Curfew Violations/Loitering/ Vagrancy
- Disorderly Conduct
- Driving Under the Influence
- Family Non-Violent Offenses
- Liquor Law Violations, Drunkenness
- Peeping Tom
- Runaways (Persons under 18)
- Trespassing
- All Other Offenses

NIBRS VS. UCR (Continued)

What is UCR?

Many police agencies use the UCR System which is not incident-based, but rather uses a "Hierarchy Rule". This means that in a situation where multiple offense were committed at the same time and place, the crimes are classified and only the highest ranking offense is counted and the rest are ignored, regardless of the number of offenders and/or victims. Similar to the NIBRS Group A and B categories, UCR groups crime into Part 1 and Part 2 Offenses.

For example: During the commission of an armed bank robbery, the offender strikes a teller with the butt of a handgun, runs from the bank and steals an automobile. The three Part 12 offenses that occurred are robbery, aggravated assault and vehicle theft. Since robbery is the "highest" ranking offense of the three, this is the only offense that would be reported. The other two would be ignored.

UCR Part 1 Offenses include:

- Homicide
- Rape
- Robbery
- Aggravated Assault
- Burglary
- Larceny/Theft
- Motor Vehicle Theft
- Arson

UCR Part 2 Offenses are only reported in the event of an arrest, and include:

- Other Assaults
- Forgery, Counterfeiting, Fraud
- Embezzlement
- Stolen Property: Buying, Receiving, Possessing
- Vandalism
- Weapons Law Violations
- Prostitution
- Sex Offenses
- Drug Abuse Violations
- Gambling
- Offenses Against the Family and Children
- Driving Under the Influence
- Liquor Law Violations, Drunkenness
- Disorderly Conduct
- Curfew Violations, Loitering, Vagrancy
- Runaways (Persons under 18)
- All Other Offenses

2021 Officer of the Year

Officer Devin Novara works hard to reduce illegal encampments, identify and arrest habitual trespassers, and to help unsheltered people he contacts in seeking resources. Officer Novara has served for many years on the West Valley City Homelessness Task Force, which includes representatives from every City Department. Officer Novara demonstrates empathy for those he serves, and maintains a positive rapport, even with persons who force him to take enforcement action. Officer Novara's consistent efforts to educate people and help them obtain resources, and to hold them accountable when necessary is part of the reason West Valley City is seen as a model for how to best serve the homeless population. For his unceasing dedication and excellent work throughout 2021, Officer Devin Novara is commended as the Officer of the Year.

2021 Supervisor of the Year

During 2021, Sergeant Peterson reviewed and assigned 986 cases to detectives in the Special Victim's Unit. He made a strong impression on the personnel in his unit, who describe him as "more than a supervisor" and as "an effective leader". Sergeant Peterson goes above and beyond expectations to be a mentor and teacher, and build the capability of each person assigned to him.

He takes the time to get to know detectives on a personal level as well as professionally. He understands their strengths and weaknesses and knows how to help them improve. Under his direction, SVU has become one of the most coherent and consistent teams in the Department. He is the type of supervisor who backs up his personnel, guides them through difficult cases, and is always a joy to be around. His work makes the West Valley City Police Department and the community it serves a better place. Sergeant Peterson is recognized as the 2021 Supervisor of the Year.
